From the Editor

Kia ora,

The Club Championships for 2011 are just around the corner. There are a few Sunday competitions in the August programme where you can get some 'game time' in to prepare for the champs – it's all up to you!

Good Golfing everyone!

★ Young stars update ★

Te Rongopai Clay attended the NZ Golf Assoc training camp and said "It was a great camp where we learnt a lot about pre-shot routines and mental preparation". We look forward to seeing this in action Te Rongopai!

Jayden Ford played in the Future Champions Golf tournament in the US and came a very respectable 4th place (Boys 8 & under section). Well done Jayden!

Thank you, from the club to...

❖ **Mike Winthrop, Simon Ruru, Tom Campbell, Daryl Bradford, Tim Gallen, Dwayne Simmis & Manu Katene** for your support and time with implementing the new audio, visual systems around the club

❖ **Terry Hakaraia** for your assistance on the course.

❖ **Hone Tibble** for your donation of spare golf clubs

Fundraising Facts

Did you know... We plan to build two new holes in the next two years and need \$80,000. We have set aside \$10,000 for this, but need your help to get us there.

How can you help?... By supporting the fundraising activities around the club.

What fundraising activities are going on?...

- **Raffles** - Weekly raffles now feature sponsored prizes which means all proceeds go to the two new holes. Please support the raffles when you can.
- **Events** - All club events will contribute 20% of their takings to the two new holes. Come up and support these events and have a great time while your there!
- **Donations** - Donations can be made in our new donations box next to the bar. Any donations are most appreciated.

Who are our sponsors?... We will put the spotlight on one of our sponsors in every newsletter. Sponsors are key to our fundraising success, so please support them wherever you can. Thank you to the Sunday Saintz, Pikaninis, Whriday Whrites, Doon, and the Douglas sisters, who have all committed to sponsoring raffle prizes. If you want more information about sponsoring, please see Mark Huria.

What's our progress?... We will keep you updated on our progress towards the \$80,000 in this newsletter – starting next month. Watch this space!
