From the Editor

Kia ora,

Was it a dream?? On the 21st August 2011 we were hit by a polar blast storm which covered the golf course with a white blanket of snow. It was an unbelievable site and hopefully we will be able to share some photos in our next newsletter.

The Club Championships for 2011 start this weekend and continue through to October. Please ensure you check the noticeboard for the draw and tee off times

Good Golfing everyone!
