Subs Reminder

Subscriptions: We still have quite a significant number of members that have not paid their Subs for the 2025-2026 year. The Club is dependent on your subscription to maintain the course for your enjoyment covering costs for fuel, maintenance, wages, and standing charges such as Power, Insurance, water rates etc.

All members are requested to pay in full or have a payment agreement in place and pay at least 50% by end of September 2025.

Failing to make any payment towards your subs by end of September 2025 will mean we will look at cancelling your membership and you will be asked to pay green fees.

Please get in touch with the office if you have any questions or concerns about your subs and membership.
